Friday

~~Thursday~~ Night is .. Club Night!

The club is open on Thursday evenings throughout the year from 8.30 onwards. This is when members congregate for a social chat and a chance to 'Play Your Cards Right' to help club funds. This is also when people hear the latest news and get a chance to 'sign up' for forthcoming social events.

Sunday Lunches

During the winter months the club-room is open from noon. Members of the social committee produce light lunches and the bar is open.

The Social Programme is organised by the Commodore. Though each year's Commodore may change the programme and add other events, we regularly enjoy the following :

New Years' Eve Party Valentine's Dance Fitting Out Supper

Opening Cruise Spring Cruise Commodore's Day Out Wine Cruise Competition Weekend Summer Cruise BBQ Weekend

Bowling Weekend Quiz Night Photographic Competition Laying Up Supper Presentation Evening Sailing Officers' Dance Brass Band Concert Christmas Party Boxing Day Cruise

Members receive a regular copy of the club magazine 'The Ditchcrawler'.

BW licences can be purchased through the club.

Fund-raising events are held throughout the year to support club activities.

The **Club Bar** stocks a variety of beers, lagers, wines and spirits all at very reasonable prices. It is staffed by volunteer members of the club.

The **Slipway** is available to members who wish to remove their boats from the water for surveys, repairs or painting.

Diesel can be purchased at very competitive prices as can

Calor Gas. All profits go towards improving club facilities.
