**Health and Safety Advisor Report For NCCC – 10 December 2024 – James Wilson**

Nothing to Report

**Bar Report For NCCC – 10 December 2024 to 31 December 2024**

Firstly I would like to thank everyone who has given their time to volunteer to work behind the bar on our recent functions, however, we need more people to come forward. I am willing to train anyone who would like to give it a go.

The bar takings since the last report 9<sup>th</sup> December 2024 are as follows:

Friday Club Nights	£242.80
Work party and Sunday Lunch	£17.90
Festive Cruise	£64.30
Hawk Green Brass Band	<u>£423.05</u>
Total	<u>£748.05</u>

Some stock including Lager, Bottles, Cans, soft drinks and Spirits have been purchased at approximately £400. The majority of the out of date stock has been dealt with.

It has been suggested that the prices should be revised and that a “non-members” price list is created. I will prepare a suggested change to these prices. The first challenges that come to mind are:

1. How do we program the till to show these two different prices?
2. How does the person serving on the bar know the person they are serving is a member?
3. How do we deal with a club member at an “outside” function?

I suggest that a separate meeting should be arranged to discuss the best way forward, with 4 or 5 members namely The Chairman, Treasurer, Secretary, Premises Director and Bar Manager.

Wishing you a Happy New Year  
David
